Mail: info@ne-marine.dk

Web: www.ne-marine.dk

NE-Marine er specialiseret i installation, reparation og vedligeholdelse af alle former for motorer, primært til fiskeflåden. NE-Marine A/S har et indgående kendskab til fiskeriets arbejde og erhvervets krav til effektivitet også i ekstreme situationer med vanskelige vejrforhold.

På eget værksted fremstilles:

- Wireføringsbjælke til hæktrawling med automatisk wireføring gennem 2 eller 3 vogne
- Alle former for spil f.eks. splitspil, lossespil, ankerspil og hjælpespil
- Bomsvingere
- Frontgear
- Enkelte, dobbelte og split nettromler
- Blokke
- Mekaniske og hydrauliske lænsepumper

NE-Marine A/S er desuden autoriseret forhandler af Cummins, Caterpillar, Baudouin og Gardner motorer samt lagerførende i Mann filtre, Desmi pumper samt CJC separatore og filterindsatse. Endvidere serviceres alle typer for fremdrivningsanlæg og andre mekaniske anlæg f.eks. hydrauliske pumper. Endelig tilbydes alle former for smedeopgaver samt opgaver i aluminium.
