Mail: hems@mail.dk

Hirtshals - Skagen El-Motorservice ApS beskæftiger sig med alt inden for el- og elektromekanik. De servicerer primært den maritime sektor samt offshore, men også kraftværker, biogasværker og vindenergisektoren. Hirtshals - Skagen El-Motorservice ApS har værksted i både Skagen og Hirtshals, men opgaver løses også gerne on location. Der tilbydes naturligvis døgnservice, og firmaet er kendt for høj kvalitet og rettidighed.

Hirtshals - Skagen El-Motorservice ApS arbejder med fejlfinding, reparation, renovering, salg, service og vedligehold af følgende:

- Alle typer generatorer og elmotorer (også ATEX-certificerede)
- Ventilation, startere, gear, lejer, eltaljer og kraner
- Akkumulatorer og pumper, bl.a. eneforhandler i Danmark af MAPEX pumper
- Skibsinstallation: radarer, ekkolod, autopilot, navigationsanlæg og alt inden for kommunikation dvs. telefoni, internet og radioudstyr
- Batterier, ladere, transmotorer m.m.

Hirtshals – Skagen El-Motorservice ApS er specialister i laseropretning af roterende enheder og de har stor erfaring med at udbrænde og omvikle elmotorer samt generatorer – også meget store enheder.

De er certificeret jf. IEC/EN 60079-19 og jf. ABB.
